C. POOH CHRISTMAS VILLAGE SCENE

Pooh and friends come out to play on a snowy day in the Hundred Acre Wood – a wonderful scene filled with favorite Pooh characters and houses that are actually little nightlights. There's Pooh's house, Kanga's house and Rabbit's house, all covered in snow. Plug them in and watch them glow! There's even Gopher's mailbox standing outside his underground home. The ice skating pond is nestled among the snow-covered trees, and it's just the place for our little figurines to skate the day away. Pooh, Eeyore and Rabbit all have skates and are ready to go for a spin. Tigger's got a pile of snowballs and he's about to let one fly! Piglet's busy putting the finishing touches on a snowman.
